2023 VET Programs

In 2023, the Inner Melbourne VET Cluster in conjunction with Kangan Institute will offer:

Certificate II in Applied Fashion Design and Technology

Certificate II in Automotive Vocational Preparation (General)

Certificate II in Automotive Vocational Preparation (Pathways to Success)

Certificate III in Allied Health Assistance (Incorporating Certificate III in Health Services Assistance) Partial Completion

Contribution to VCE/VCAL/Vocational Major

Applied Fashion Design and Technology

VCE/VCAL/VM: Students may be eligible to receive recognition of up to six units of credit: four units at the Units 1 & 2 level, and a VCE VET Units 3 & 4 sequence.

ATAR: This subject does not have a study score and therefore cannot contribute towards the student's primary four. Students who receive a Units 3 & 4 sequence may be eligible for a 10% increment towards their ATAR (10% of the lowest result of your primary four scaled studies). Please note the student must already have English and three other fully scored VCE/VET subjects to create the primary four. VCAL and the VCE Vocational Major do not contribute towards an ATAR.

Contribution to VCE/VCAL/Vocational Major

Automotive Vocational Preparation (General)

VCE/VCAL/VM: Students may be eligible to receive recognition of up to four units of credit: two units at the Units 1 & 2 level, and a VCE VET Units 3 & 4 level.

ATAR: This subject does not have a study score and therefore cannot contribute towards the student's primary four. Students who receive a Units 3 & 4 sequence may be eligible for a 10% increment towards their ATAR (10% of the lowest result of your primary four scaled studies). Please note the student must already have English and three other fully scored VCE/VET subjects to create the primary four. VCAL and the VCE Vocational Major do not contribute towards an ATAR.

Contribution to VCE/VCAL/Vocational Major

Automotive Vocational Preparation (Pathways to Success)

VCE/VCAL/VM: Units completed may contribute hours toward a student's secondary studies.

Students complete selected units which can provide credit toward further studies in the Certificate II in Automotive Vocational Preparation.

Contribution to VCE/VCAL/Vocational Major

Allied Health Assistance (Incorporating Health Services Assistance) Partial Completion

VCE/VCAL/VM: Students may be eligible to receive recognition of up to four units of credit: one unit at the Units 1 & 2 level, and a minimum of three units at the Units 3 & 4 level.

ATAR: Students wishing to receive an ATAR contribution for the Units 3 & 4 sequence must undertake scored assessment for the purpose of achieving a study score. This study score can contribute directly to the ATAR, either as one of the student's best four studies (the primary four) or as a fifth or sixth study. VCAL and the VCE Vocational Major don't contribute to an ATAR.

Questions?

Attendance and Punctuality Requirements

Attendance

Students must attend all classes. An allowance of two absences a Semester or four for the year is allocated to students. An additional two approved absences is allowed for school camps, excursions etc. Where possible, students need to notify their VET Coordinators, trainers and/or their workplace in advance.

Punctuality

All students are expected to arrive on time to class. Students who arrive late will miss class content and will be required to catch up in their own time to complete the work.

Missing one class of VET is equal to missing a week of school.

Reports

- Schools will receive an interim VET report at the end of Term 1.
- Semester reports are distributed at the end of Semester 1 and 2.
- Statements of Results (issued at the end of the first year) and Certificates (full completion courses issued at the end of the second year) listing all units of competency upon satisfactorily completed.
- These are sent directly to the student's home school.

Please note, for partial completion courses only a statement of attainment can be issued. Certificates may not be sent until the following year, in accordance with graduation processes from the various training providers.

Program Costs

All VET programs facilitated through the IMVC attract costs. Through the clustering arrangement these costs are kept to a minimum where possible.

Please note: Please contact your school's VET Coordinator. All fees will be invoiced to schools after Census date usually in March. Once a student has commenced the course, the fees will not be refunded.

Communicating to Students

All correspondence and administrative issues will be communicated to students via their school-based VET Coordinator.

Occasionally, it may be appropriate to contact the student via SMS (e.g. to inform of a cancelled class) or email.

Parents must communicate directly with their school VET Coordinator and not initiate direct communication with VET trainers.

Confirming Expressions of Interest

Expression of Interests will be processed in late October.

Schools will be notified in November of the status of their students' Expressions of Interest.

Letters should be sent to students and parents by schools confirming enrolments by the end of November or early December.
