# 2023 VET Programs

**The Inner Melbourne VET Cluster in conjunction with Sydney Road Community School (SRCS) will offer:**

Certificate III in Music (Creation and Composition stream with electronic music production focus)

Delivered at SRCS

## CUA30920 Certificate III in Music (Creation and Composition - Electronic Music Production Focus)

- This program is unique in that it provides music creation with an electronic music production focus.
- Industry experience shows this is in line with current workplace practices and is a focal point for students.
- Enables students to apply a broad range of knowledge and skills in varied work contexts within the music industry.
- Prepares students for work in the music industry in areas such as performance, critical listening, music management and music promotions.

# CUA30920 Certificate III in Music (Creation and Composition - Electronic Music Production Focus)

This qualification is suitable for individuals who:

- Have some music theory knowledge
- Are flexible and able to adapt in a team setting
- Have an interest in composition
- Are creative
- Have an interest in music technology
- Are willing to learn about various aspects of the music industry

# Contribution to VCAL/VCE

## **Music (Creation and Composition stream with electronic music production focus)**

**VCE/VCAL/VM:** Students may be eligible to receive recognition of at least two units of credit at the Units 1 & 2 level and a VCE VET Units 3 & 4 sequence.

**ATAR:** This subject does not have a study score and therefore cannot contribute towards the student's primary four. Where available a Unit 3 & 4 sequence may be awarded on satisfactory completion of a minimum of 180 nominal hours at AQF level III, according to the guidelines published by VCAA. VTAC may award students who receive a Units 3 & 4 sequence through Block Credit Recognition, an increment. Not offering the scored assessment is a provider decision for this specific offering.

# Program Delivery

Program	Venue	Day and Time
Music (Creation and Composition stream with electronic music production focus)	Sydney Road Community School	Wednesdays 1:40pm - 5:00pm

# Course Outline

Please refer to the information booklets for course outline.

# Course Content

- Perform basic sound editing
- Use advance features of computer applications
- Incorporate music technology into performance
- Develop simple musical pieces using electronic media
- Provide event staging support

# Program Requirements

## **Work Placement Requirements**

Work placement is recommended.

## **Pre-requisites**

There are no prerequisites, however, some musical and computer experience are an asset, as is a willingness to learn about electronic music composition, production, and performance techniques.

## **Additional Requirements**

Students will be required to provide headphones, a USB stick to save work, and books and pens to take notes. Access to all work is available via Google Classroom.

Please note, this course is designed to be delivered over two years.

# Attendance and Punctuality Requirements

## **Attendance**

Students must attend all classes. An allowance of two absences a Semester or four for the year is allocated to students. An additional two approved absences is allowed for school camps, excursions etc. Where possible, students need to notify their VET Coordinators, trainers and/or their workplace in advance.

## **Punctuality**

All students are expected to arrive on time to class. Students who arrive late will miss class content and will be required to catch up in their own time to complete the work.

**Missing one class of VET is equal to missing a week of school.**

# Reports

- Schools will receive an interim VET report at the end of Term 1.
- Semester reports are distributed at the end of Semester 1 and 2.
- Statements of Results (issued at the end of the first year) and Certificates (full completion courses issued at the end of the second year) listing all units of competency upon satisfactorily completed.
- These are sent directly to the student's home school.

Please note, for partial completion courses only a statement of attainment can be issued. Certificates may not be sent until the following year, in accordance with graduation processes from the various training providers.

# Program Costs

All VET programs facilitated through the IMVC attract costs. Through the clustering arrangement these costs are kept to a minimum where possible.

**Please note:** Please contact your school's VET Coordinator. All fees will be invoiced to schools after Census date usually in March. Once a student has commenced the course, the fees will not be refunded.

# Communicating to Students

All correspondence and administrative issues will be communicated to students via their school-based VET Coordinator.

Occasionally, it may be appropriate to contact the student via SMS (e.g. to inform of a cancelled class) or email.

Parents must communicate directly with their school VET Coordinator and not initiate direct communication with VET trainers.

# Confirming Expressions of Interest

Expression of Interests will be processed in late October.

Schools will be notified in November of the status of their students' Expressions of Interest.

Letters should be sent to students and parents by schools confirming enrolments by the end of November.
