2023 VET Program

In 2023, the Inner Melbourne VET Cluster in conjunction with Tristar Aviation will offer:

Diploma of Aviation (Partial Completion) Commercial Pilot License

Delivered at Xavier College

AVI50222 Diploma of Aviation (Partial Completion) (Commercial Pilot License)

This program provides students the opportunity to develop their skills and knowledge in the aviation industry, and to work towards, or complete, a Private Pilot Licence (PPL).

The Recreational Pilot Licence (RPL) test is the first stage in pilot training that ultimately leads to gaining a Commercial Pilot Licence.

The students will receive an approximate of 30 hours flying time in the first year and 20 hours of flight time for the second year.

Contribution to VCE/VCAL/Vocational Major

Aviation (Partial Completion) Commercial Pilot License

VCE/VCAL/VM: Certificate IV and Diploma qualifications that are pre-approved by the VCAA provide credit at the Units 3 & 4 levels. Each completed 90 nominal hours of training provides one VCE unit of credit. Credit accrues in the following sequence: Units 3, 4, 3 and 4 up to a maximum of four units.

ATAR: This subject does not have a study score and therefore cannot contribute towards the student's primary four. VTAC may award students who receive a Units 3 & 4 sequence through Block Credit Recognition, an increment. VCAL and the VCE Vocational Major do not contribute towards an ATAR.

Program Requirements

Work Placement Requirements

Work placement is not required.

Additional Requirements

Students must be 15 years of age and manage abnormal aeroplane flight situations

Occupational Health and Safety: Students may be required to wear protective footwear and other protective items as required under OH&S legislation.

More information will be provided at the commencement of the program:

- Students are required to have CASA medical before commencing flying. This medical will need to be completed before the end of Term 1, the cost is (approximately) \$300
- Students may be required to do extra flying time to be deemed competent, this will be charged separately at \$315 per hour

Additional Information

Skills students should possess:

- Problem solving
- Critical thinking
- Communication skills

Assessments:

- Observation
- Practical
- Written tests
- Pre-License Flight Test
- Flight Test

Attendance and Punctuality Requirements

Attendance

Students must attend all classes. An allowance of two absences a Semester or four for the year is allocated to students. An additional two approved absences is allowed for school camps, excursions etc. Where possible, students need to notify their VET Coordinators, trainers and/or their workplace in advance.

Punctuality

All students are expected to arrive on time to class. Students who arrive late will miss class content and will be required to catch up in their own time to complete the work.

Missing one class of VET is equal to missing a week of school.

Reports

- Schools will receive an interim VET report at the end of Term 1.
- Semester reports are distributed at the end of Semester 1 and 2.
- Statements of Results (issued at the end of the first year) and Certificates (full completion courses issued at the end of the second year) listing all units of competency upon satisfactorily completed.
- These are sent directly to the student's home school.
- Please note, for partial completion courses only a statement of attainment can be issued. Certificates may not be sent until the following year, in accordance with graduation processes from the various training providers.

Program Costs

All VET programs facilitated through the IMVC attract costs. Through the clustering arrangement these costs are kept to a minimum where possible.

Please note: Please contact your school's VET Coordinator. All fees will be invoiced to schools after Census date usually in March. Once a student has commenced the course, the fees will not be refunded.

Communicating to Students

All correspondence and administrative issues will be communicated to students via their school-based VET Coordinator.

Occasionally, it may be appropriate to contact the student via SMS (e.g. to inform of a cancelled class) or email.

Parents must communicate directly with their school VET Coordinator and not initiate direct communication with VET trainers.

Confirming Expressions of Interest

Expression of Interests will be processed in late October.

Schools will be notified in November of the status of their students' Expressions of Interest.

Letters should be sent to students and parents by schools confirming enrolments by the end of November or early December.
