Attendance and Punctuality Requirements

Attendance

Students must attend all classes. An allowance of two absences a Semester or four for the year is allocated to students. An additional two approved absences is allowed for school camps, excursions etc. Where possible, students need to notify their VET Coordinators, trainers and/or their workplace in advance.

Punctuality

All students are expected to arrive on time to class. Students who arrive late will miss class content and will be required to catch up in their own time to complete the work.

Missing one class of VET is equal to missing a week of school.

Reports

- Schools will receive an interim VET report at the end of Term 1.
- Semester reports are distributed at the end of Semester 1 and 2.
- Statements of Results (issued at the end of the first year) and Certificates (full completion courses issued at the end of the second year) listing all units of competency upon satisfactorily completed.
- These are sent directly to the student's home school.

Please note, for partial completion courses only a statement of attainment can be issued. Certificates may not be sent until the following year, in accordance with graduation processes from the various training providers.

Program Costs

All VET programs facilitated through the IMVC attract costs. Through the clustering arrangement these costs are kept to a minimum where possible.

Please note: Please contact your school's VET Coordinator. All fees will be invoiced to schools after Census date usually in March. Once a student has commenced the course, the fees will not be refunded.

Communicating to Students

All correspondence and administrative issues will be communicated to students via their school-based VET Coordinator.

Occasionally, it may be appropriate to contact the student via SMS (e.g. to inform of a cancelled class) or email.

Parents must communicate directly with their school VET Coordinator and not initiate direct communication with VET trainers.

Confirming Expressions of Interest

Expression of Interests will be processed in late October.

Schools will be notified in November of the status of their students' Expressions of Interest.

Letters should be sent to students and parents by schools confirming enrolments by the end of November or early December.
